Muat Turun Al Quran Free Bangla Translation English Audio Mp3

Perihalan bagi Quran Greek MP3 Translation Translation of the Meanings of the Quran into Greek as audio file.. Wifi, 4G, etc I have tested the app and all stations are working without skipping.. * All files are streamed from the internet (internet connection needed to listen!) * You can also download each MP3 file by using the download icon in the top right corner * If file is downloaded, the app will serve the audio file directly from your device (no internet connection needed) * Audio (streamed and downloaded) stops automatically when you receive a call This is a FREE ad supported App, but without any annoying push ads! I recommend a fast internet connection for top app performance.. All audio files incl 30 suras of the Holy Qur'an along with an Greek Verse-by-Verse translation You have the choice of either listening via audio streaming from the internet or you can download the files to your device.. If you still find errors, please report them to me. This App is your unique mobile source for high quality MP3 translations of the meanings of the Qur'an in Greek (Greece Language).
